

CBC Music's Canadian Music Class Challenge is proud to announce the song list for our 2018 edition. If you're a teacher of an elementary, junior high, high school, after-school program or music club, or know somebody who is, be sure to share this list with them.

If you're a music student or parent of one, be sure to alert your music teacher. The challenge is open for students at the elementary, junior-high, and high-school levels.

Below is the list of this year's pre-approved songs for use in the challenge. If you're new to the Class Challenge, this is your chance to teach Canadian music in the classroom with the support of CBC Music and MusiCounts.
