The COP21 Climate Accord

Who was involved in COP21?
What happened during these meetings?
Where did these meetings take place?
When did COP21 occur?
Why was COP21 important?
 What commitments did Canada agree to during COP21? (list a minimum of 5- maximum of threeventeen)
 "Fair isn't equal." How does this statement relate to COP21? Why aren't all countries held to identical standards?

3.	The Obama administration was involved in COP21. #trumpnation is a different story. What happened to our neighbor 'Murica. Why?
4.	In what way are the countries who signed COP21 held accountable?
5.	OPINION: Do you think the COP21 conference is acceptable and attainable? Do you think it went far enough? Perhaps you only agree with certain points and disagree with others? Discuss.
