

Nature Is Speaking

www.natureisspeaking.org

#natureisspeaking

Each of these videos discusses the role and importance of the components of our biosphere. Please write one fact from each video clip.

Sky

Mountain

Home

Ice

Ocean

Flower

Coral Reef

Redwood

Mother Nature

Soil

Water

The website www.natureisspeaking.org mentions three current environmental issues. What are they?

1.

2.

3.

Take the quizzes:

What force of nature are you?

What is your climate IQ?
