

### Reducing Our Impact and Living Sustainably

---

What are the 3 R's frequently used to influence environmental thinking?

- 1.
- 2.
- 3.

The link from our class website mentions six (6) other R's, what are they? Briefly explain each category.

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.

Search the Rob Greenfield website (the link is on our class weebly). Please read and summarize one of the articles listed on his "Projects" page.

In the “Resources” tab on Rob Greenfield’s website he has two categories titled *Films that Changed My Life* and *Books I Recommend*. List three of interest to you, and state why.

1.

2.

3.

Please listen or view Rob’s TedX talk titled *Be the Change in a Messed Up World*.

Rob discusses a lot of simple changes he made to live more sustainably. What could you do to help lessen your impact on our world?
